

## What if I don't find what I'm looking for?

We hope that you find Headliners a useful information tool. If you have any ideas for improving the content or would like to see additional topics, please provide your suggestions through the Headliners Feedback Forum on the website or directly via E-mail at [r7-headliners@epa.gov](mailto:r7-headliners@epa.gov).

## What if I work or live outside of EPA Region 7?

If you are visiting the Headliners web site from outside Iowa, Kansas, Missouri, or Nebraska, and have questions about environmental matters in your area, we encourage you to talk with your EPA Regional Representative. For more details on how to contact your region, click the "regions" link from the Headliners Welcome page.

## Need help?

If you have questions or want additional information about Headliners, contact Cynthia Sehnert-Jones:

**E-mail:** [sehnert-jones.cynthia@epa.gov](mailto:sehnert-jones.cynthia@epa.gov)

**Phone:** (913) 551-7020

**Fax:** (913) 551-7065 or  
(913) 551-7521

## Special note

The Headliners website is a public service to highlight the areas of significant interest in the Region 7 Air, RCRA, and Toxics Division. It does not replace the responsibility for review of the Federal Register, the Code of Federal Regulations, or other associated background materials for determining applicability or compliance with a required rule.

# Headliners

## Environmental Initiatives in the Air, RCRA, and Toxics Division

## What are Headliners?

Headliners are a web-based tool to provide information about significant upcoming events in the Air, RCRA, and Toxics Division of EPA Region 7, Kansas City, Kansas.

Every three months, or more frequently if appropriate, Region 7 will select 10-15 news items that may be of particular interest to industry, small businesses, environmental attorneys, consultants, state and local agencies, environmental groups, and the public. These items are linked to fact sheets and other web-based resources that provide clear, concise descriptions of the topics.

## Will Headliners interest me?

Headliners provide a "heads up" on significant new rules and upcoming regulatory deadlines, meetings, workshops, and regional enforcement initiatives.

If you work with programs like Air, RCRA, Solid Waste, Pollution Prevention, EPCRA, PCBs, Lead, Radon Asbestos, Indoor Air, or Underground Storage Tanks, then Headliners may be for you.

## How do I access Headliners?

There are two ways to open the Headliners web site:

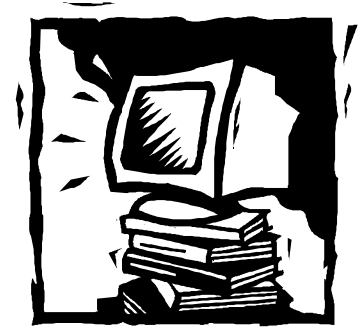

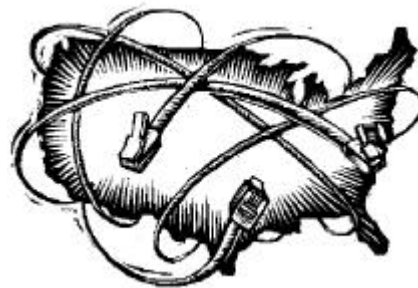

### Option 1

From the EPA Region 7 Home Page, <http://www.epa.gov/region07>, single click on the "Headliners" icon at the top, left edge of the page.

### Option 2

Set a link directly to the Headliners web site at:

<http://www.epa.gov/region07/programs/artd/headliners/top10.htm>

## How do I know when Headliners were updated?

You are welcome to visit the Headliners web site as often as you like, but you may also want to subscribe to the Headliners listserver. As a member of the listserver, you will receive a periodic email notice alerting you to new items on the Headliners web site.

To sign up for the the listserver, you can either auto-subscribe using the Listserver Options area on the Headliners web site, or you can send an email notice to:

**majordomo@stuart.r07.epa.gov**  
with  
**subscribe r7-headliners**  
in the message area
